

Overview
2016 - 2018

**National Security Executives and Professionals Association
(NSEPA)**

Introduction

National Security Executives and Professionals Association (NSEPA)

The purpose of NSEPA is to (1) support and advance America's National Security Imperatives; and (2) promote employee competitiveness into senior levels (GS15 to Senior Executive Levels) of the U.S. Government National Security and Intelligence Enterprise by sponsoring professional development and career enhancement opportunities for ethnically diverse employees and women with emphasis on African Americans .

NSEPA's Emphasis Areas

Advocacy
Networking
Mentoring
Coaching
Sponsorship
Leadership
Training/Professional Development

Strategic Partnerships

Industry
Academic Community
Professional Associations and Organizations

NSEPA's Objectives:

- Reinvigorate and sustain National Security and Intelligence mandates and networks to cultivate coalitions and partnerships in support of critical mission needs
- Identify human capital best practices from across National Security Enterprises , academia and industry that are transportable in promoting efficiencies, productive, competitive talent, and harmonious work environments for all personnel
- Execute learning opportunities (young analysts/collectors, IC seniors and learning opportunities) that specifically address critical skills, competencies and leadership development
- Developmental and Promote Approaches for Competitiveness—Critical Assignments; Sponsorship and Mentoring; Leadership Development, Rank-in-Person Strategies, Recognition and Promotion
- Build Alliances and Networks: Networking skills, making connections and building enduring, mutually beneficial relationships are vitally important to advancement and broaden responsibilities
